

How to Measure Your Round Table

Before you order your cover, you will need to carefully measure the table it is meant to cover. Our guide below will walk you through the steps to correctly and accurately measure your table to ensure you get the best fit.

Please round up your dimensions to the nearest inch.

Please note: Published dimensions for patio furniture cover styles refer to furniture dimensions

Additional Tips

Each cover is intuitively designed to allow for hem-to-ground space for necessary air circulation

If no table cover with your dimensions exists, choose one that is slightly larger in diameter

We also offer Table Top Covers that are designed for convenience and moderate protection
