

How to Install Your Umbrella Cover

After you've received your new umbrella cover, follow the instructions below to properly

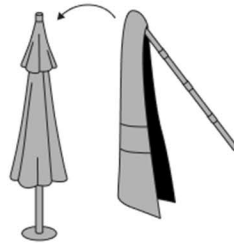

Step One

Check to make sure you have all necessary pieces to create your umbrella wand.

Step Two

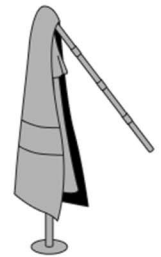

Assemble your umbrella cover wand by connecting the 4 pipes with the 3 plastic connectors and 1 top cap.

Step Three

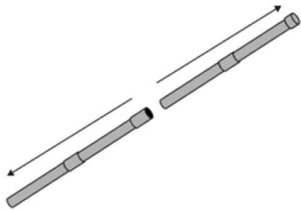

Insert wand inside the top of your umbrella cover.

*Be sure to insert the end with the top cap.

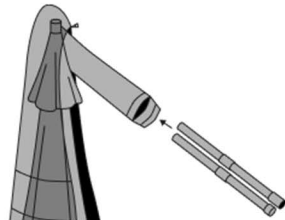

Step Four

Lift the cover over your umbrella and remove the wand.

Step Five

Disassemble wand at the middle connector, dividing it into two pieces.

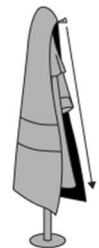

Step Six

Store the wand by inserting the two pieces into the wand pouch in the top of the umbrella cover.

Step Seven

Secure the touch fastener flap.

Step Eight

Let the pouch hang and zip up the cover.
